Aims to promote and safeguard the preservation of human life and dignity around the globe!

Humanity First

Corporate Donation and Matching Gift Program

An opportunity to share in a good cause!

Please join us in our various projects in Canada and overseas.

If you are currently employed in a company that actively participates in sponsoring and supporting Charitable Organizations, then we urge you to contact your Human Resources department and provide them with information about Humanity First. You could request your company to become our corporate sponsor, as your company may be able to assist us in many ways:

Direct Donations

Companies that are already involved in community services may make their donations directly towards Humanity First.

Matching Gift Program:

This program involves a company matching a certain percentage of the donation an employee makes towards a charitable organization. So if you decide to make a monetary contribution towards Humanity First, simply present the official donation receipt to HR/payroll department and the company may match 50% to 100% of the donated amount. Please obtain the necessary 'Matching Gift' charitable donation forms from HR.

Other Programs:

There may be other ways to donate through your company; please contact your HR department.

You may donate to one or more of the following Humanity First projects:

- Feed a Family Program
- Our Children - Our Future
- Computer Training Program
- Orphan Care
- Vocational Training
- Water for Life
- Gift of Sight
- Medical Camps
- Alternate Energy
- Disaster Relief

*Your help will improve the quality of life for some of the world's poorest and most vulnerable people. **Take the first step for Humanity!***
