OUR MISSION

We aim to relieve suffering caused by natural disasters and human conflicts, promote peace and understanding and strengthen people's capacity to help themselves.

WHY CHOOSE US?

Children are the future of humanity; and we shape our future. Humanity First supports underprivileged children to improve their academic performance by **sponsoring their educational needs**. Internationally, we support schools with **provision of school supplies, furniture and building of school facilities** in underprivileged communities.

Locally, we **sponsor students and schools** facing formidable challenges in their academic growth due to budget cuts, lack of desired resources, necessities, or any other circumstances. Moreover, our **Scholarship Program** awards scholarships to deserving, yet bright students in Canada.
