## OUR MISSION

We aim to relieve suffering caused by natural disasters and human conflicts, promote peace and understanding and strengthen people's capacity to help themselves.

## WHY CHOOSE US?

There are millions of orphan children around the world and many of them do not have access to basic needs, including food, health and education. The Orphan Care program provides the orphan children a family environment under the care of foster parents and meets their basic needs, such as:

- Food
- Clothing
- Education
- Health Care

Open the door of opportunities for a child through a small donation of \$35 a month!
